

2011 LEVEL 5 STATE MEET AGE GROUPS

These are listed by birthdays youngest to oldest - if there are a few skipped dates it is because no one has a birthday on that day. Remember that someone born on March 7, 2002 is younger than someone born on Sept.4, 2001. Also , I put this on the web first so coaches would get it earlier, I didn't think the parents could get to it. I am sorry if it created problems for you.
